SHOW RULES

Exhibitors will comply with current FIFe Exhibition regulations.
Registrations of non-ASFE exhibitors or foreign exhibitors must be confirmed by their Club.
As something new from this year, NO-FIFe cats may participate in ALL classes.

- Annual trivalent vaccine required for all cats (kittens and youngsters two doses 15 days before the show´s date)
- Mandatory microchip for all cats.
- Rabies vaccine for cats from outside Spain. Annual revaccination. At least 21 days before the Exhibition.

Veterinarians' decisions are independent and unappealable. If during the veterinary control, or during the exhibition, the veterinarian discovers symptoms of disease (viral, bacterial, fungal or parasitic) the cat in question, together with ALL the cats of the SAME EXHIBITOR, will not be admitted and must leave the exhibition area. the exposure immediately.
The decisions of the judges are independent and unappealable.
Domestic cats that participate in a FIFe Show and are older than 10 months must be neutered.
The stockings of the Cages provided by ASFE are 50x50x50 cm, if you need them, you must request it when making your registration (subject to availability).

It is not allowed to leave the Exhibition until closing time.
Non-compliance will be penalized.
